- TIPS**
- Reserve your fishing trip ahead of time
 - Wear sunblock, a hat, and sunglasses for sun protection
 - If you're prone to seasickness, consider taking anti-nausea medication before the trip
 - Listen to the safety briefing and instructions from the crew
 - Keep your camera ready to take photos

- DID YOU KNOW?**
- The Maldives' rich waters are home to over 1,000 fish species, including the sought-after giant trevally and colorful reef fish, making each fishing trip a unique adventure.
 - In addition to daytime fishing, night fishing excursions are popular in the Maldives, offering a chance to catch different species that are more active after dark and experience the serene beauty of the starry night sky.
 - The Maldives is renowned for its big-game fishing opportunities, with some of the world's largest marlins and tunas being caught in its deep blue waters, making it a top destination for serious anglers.
