HISTORIC SIGNIFICANCE

## *i* A CAPTIVATING SPECTACLE OF COLORS

Prison Island, or Changu Island, off the coast of Zanzibar, Tanzania, boasts a captivating history and natural beauty. Initially intended as a prison for rebellious slaves, it later transformed into a quarantine station for yellow fever patients. Today, it's renowned for its pristine white sandy beaches, crystal-clear turquoise waters, and lush greenery. The island's main attraction is its population of Aldabra giant tortoises, originally gifted from the Seychelles. Some of these majestic creatures are over a century old, providing visitors with a unique opportunity for up-close observation and interaction. With its rich history, vibrant marine life, and stunning landscapes, Prison Island offers a memorable experience for travelers exploring Zanzibar.
